About SCAD

SCAD is a private, nonprofit, accredited university, offering 100 graduate and undergraduate degree programs across locations in Atlanta and Savannah, Georgia; Lacoste, France; and online via SCADnow.

SCAD enrolls more than 17,500 undergraduate and graduate students from more than 120 countries. The future-minded SCAD curriculum engages professional-level technology and myriad advanced learning resources, affording students opportunities for internships, professional certifications, and real-world assignments with corporate partners through SCADpro, the university's renowned research lab and prototype generator. SCAD also has earned top rankings for degree programs in interior design, architecture, film, fashion, digital media, and more. According to a recent study, 99% of SCAD graduates were employed, pursuing further education, or both within 10 months of graduation. SCAD provides students and alumni with ongoing career support through personal coaching, alumni programs, a professional presentation studio, and more. Visit **scad.edu**.
